STEP 1: Open ieee.org in google

STEP 2: Select the first link.
STEP 3: Click on Create Account on the top right corner

STEP 4: Give the Required Details as asked like

First Name
Last Name
Email ID
Create the security question and
Accept the terms by checking the boxes
STEP 5: Verify that you are human

STEP 6: Please enquire the verification code sent to the person email id and enter it in the place and click continue
From the Core – Team of IEEE Hyderabad Section Student Activities Committee 2021

Code is sent as following to the mail

![IEEE Verification Code Image]

**STEP 7: Enter the code and click continue**

![IEEE Verification Code Confirmation Image]
STEP 8 : Click Continue

STEP 9 : Move the cursor onto the Membership
STEP 10: Click Join an IEEE Society

STEP 11: Search for “IEEE Membership” in the search bar
STEP 12: Select IEEE Membership

STEP 13: Opt Student Member and click add item
STEP 14: Type the next required society membership name in the search bar

Such as

For CSE – Add IEEE Computer Society

For ECE – Add IEEE Signal Processing Society & IEEE Communications Society

For Everyone add – IEEE Women in Engineering (free $0.00)

IEEE Power and Energy Society (free for initial 2 years)

IEEE Sensors Council (free $0.00)

IEEE Nano technology Council (free $0.00)

IEEE SIGHT Group (free $0.00)

For example to add WIE follow below steps

Enter IEEE Women in Engineering or Women in Engineering in the search bar and click search icon

From the Core – Team of IEEE Hyderabad Section Student Activities Committee 2021
Select IEEE Women in Engineering Membership
Click on Add Item(s)

STEP 15: After adding all the required memberships to the cart now click Complete Membership Application

From the Core – Team of IEEE Hyderabad Section Student Activities Committee 2021
STEP 16:
Department Name: Computer Science / Electronics and communication (or their own department)
Address type: Do give their Home address (Since they will be getting the magazines from IEEE)
DOB – Not mandatory
Phone number is already Provided in the sheet given

STEP 17: After entering all the details click on Continue
(Very imp) STEP 18: at University name make sure you select the right college
For Example if yours is Sri Venkateswara College of Engineering (Check twice before you proceed)

STEP 19:
Student Status: Undergraduate
Degree Being pursed: Bachelor of Technology
Academic Program: Computer science for CSE
  Electronics & Communications for ECE
  (for others their own domain)
Graduation Month: June
Graduation Year: 2024 (which ever year they graduate)
What is your current field of study: Engineering
Is your university/college Accredited?: YES
Current technology Focus: Engineering profession

STEP 20: Click on all the following and then click continue to proceed
STEP 21: If you wish to add any more memberships you can add now here in the catalog through searching in the search bar

If nothing to add click continue to proceed

STEP 22: Check all the required memberships are added to cart or not and confirm once

From the Core – Team of IEEE Hyderabad Section Student Activities Committee 2021
STEP 23: In the payment column just scroll down
In the space Enter promotion code add the promotional codes

For IEEE + IEEE Computer Society – FUTURE50CS
For IEEE + PES – FUTURE50 & 19PESSTNWF
For IEEE + SPS + COMSOC – FUTURE50

After the promo codes click apply

Check that all are added also have a check on the price in the cart

For CSE Students – IEEE + CS + WIE + PES + SIGHT + Sensors Council + Nano tech Council – $17.5
For ECE Students – IEEE + SPS + Comsoc + WIE + PES + SIGHT + Sensors Council + Nano tech Council – $14.5
For EEE Students - IEEE + PES + WIE + PES + SIGHT + Sensors Council + Nano tech Council – $13.5

You can add other societies as per your desire like RAS,MTTS,PELS Etc

STEP 24: After adding all the promo codes and checking the cart values and proceed to payment through credit card or paypal
