

How to take IEEE membership

1. Go to <https://www.ieee.org/>
>Explore the site for further details on IEEE
2. Go to https://www.ieee.org/membership/join/index.html?WT.mc_id=hc_join

- Get involved in standards development
- Network with other professionals in your local area or within a specific technical interest
- Mentor the next generation of engineers and technologists and so much more.

There's no better time to take advantage of what IEEE has to offer. Join now and get membership benefits through the end of 2021, plus save 50% on membership dues.* Enhance your IEEE membership by joining a Society specializing in your technical interests, for as little as US\$10 per year.

3. Create an account or sign in to your account

The screenshot shows the IEEE website's 'Join' page. The page header includes the IEEE logo and tagline: 'The world's largest professional organization for the advancement of technology'. Navigation links include 'About', 'Membership', 'Communities', 'Conferences', 'Publications', 'Standards', and 'Education'. A 'Join IEEE' button is visible in the top right. The main content area is titled 'Join' and includes a 'Thank you for your interest' message and a form to provide contact information. A modal window titled 'Create account or sign in to continue' is overlaid on the page. The modal contains two sections: 'Don't have an IEEE Account yet?' with a list of benefits (sign in to various IEEE sites, manage membership, get discounts, personalize experience, manage profile) and a 'Create account' button; and 'Already have an account? Sign in using your existing account.' with a 'Sign in' button, 'Forgot password' link, and 'Sign in' button. The modal also includes a search bar and social media icons.
